Education

2019-08 - Current

Diploma: Information Technology
Coder Academy - Melbourne
Technologies I have learnt so far:
- Ruby programming language
- Ruby on Rails
- HTML
- CSS
- Git version control (Github)
- JavaScript programming language
- Currently learning Node and Express in MERN stack

Below is the link to my portfolio which has the projects I have built so far:
https://murtazataloo.netlify.com/projects.html

Bachelor: Information Technology

La Trobe University - Melbourne

I started this degree but decided to discontinue it because I wanted to learn the technologies currently being used in the industry and so found Coder Academy's fast track course.

Completed Unit:

Information Systems, Programming Environment, Data-based critical thinking, all subjects completed with a **High Distinction.**

2010-07 - 2011-08

Diploma: Business

The Imperial College Of Australia - Melbourne

2009-07 - 2010-02

Certificate III: Financial Services

Swinburne University Of Technology - Melbourne

2006-08 - 2008-09

Year 12 (VCE Equivalent): Commerce

Commecs Institue Of Business And Emerging Sciences - Karachi, Pakistan

Graduated with 77% final mark.
